

Economy Back Panels PL-5

IMPORTANT

Your order will typically ship in 4 business days after the date we receive your approval. Changes to this E-Proof will require approval of a revised proof.

IMPORTANT

If your artwork was submitted in PMS colors, it will be automatically converted to CMYK. If color matching is essential, please request a test strip, or provide a printed sample for us to color match (ie: stationary, etc.). This will add 4+ days to your production schedule, but will ensure a match closest to your preferred color. Ultimately, because we print in CMYK, we cannot guarantee an exact PMS Match.

IMPORTANT

The purpose of this E-Proof is to check the design layout, make sure all of the elements are there, and to get a good idea of how the design will look once printed. This E-Proof will be sent at low resolution, so in no way will this E-Proof provide accurate colors or resolution. If you require color and resolution proof, please order a Color Proof.

Urgent E-Proof Approval Required

This area will not be viewable from the front.

Production will not begin until we receive approval of the latest E-Proof

“Please respond via E-Mail to “All” on the approval or disapproval of this E-Proof.”
